

FIREWORKS PROHIBITED IN OLD TOWN, WOODLEY ISLAND, AND WOODLEY ISLAND MARINA

Eureka Municipal Code, Section 92.08 states;

No person shall store, sell, use, discharge, ignite, or set off any fireworks on Woodley Island or within Woodley Island Marina, or in the Old Town area of the city. For purposes of this ordinance, the Old Town Area is defined as the area North of Fourth Street to the Bay, West of M Street and East of Commercial Street, inclusive.

Failure to comply with this ordinance is a misdemeanor. Failure to comply with an order and notice as provided in section 92.99 of the Eureka Municipal Code may be charged either as an infraction or as a misdemeanor.

Come to Old Town and enjoy the public fireworks display. But, *PLEASE*, do not bring personal fireworks to Old Town.

Thank you,
